

# Woodlands Trail And Park Gets \$5,000 Donation From Chevron

**CREATING A LEGACY**—Pictured here are Plaquemines Parish President Benny Rousselle, Woodlands Trail and Park President Katie Brasted, and America's Regional Manager of Chevron Oronite, Oak Point Plant Mike Burnside. Last week Chevron donated \$5,000 to Woodlands Trail and Park. Burnside said one of Chevron's visions is to be a responsible member of the community. He said there needs to be a balance between development and nature. In becoming a partner with the Woodlands Trail, Burnside said Chevron hopes to preserve valuable green space for generations to come. Once completed the Woodlands Trail and Park will be located on an 80 foot tract around property the parish owns behind Belle Chasse Primary School. The entrance to the park will be on F. Edward Hebert Blvd.
