## VOLUNTEER WORK DAY

RUSTY COSTANZA / THE TIMES-PICAYUNE

Lee Dupont, left, and Sandy Womack, right, carry an auger along a trail at the Woodlands Trail and Park in Lower Coast Algiers/Belle Chasse on Saturday. In the background is Betsy Brien. Saturday was a volunteer work day at the trails and a dedication of the ConocoPhillips Bridge along the trail. Bridges constructed along the trail were made possible by a grant from the Louisiana Recreation Trails Program and corporate contributions.
